BISBEE NEWS.
Daily Happenings at the
Great Copper Camp.

Budget of interesting items
from our Regular Cor-
respondent.

Bisbee, October 23, 1896.
COPPERING.

John Montgomery came over from
Tombstone on a short visit today and
received a hearty welcome from his
many friends.
Chris Finlayson was also a passenger
en route to the county seat this morn-
ing. We hear that Chris is shouting
for Bucky O'Neill.

John Mobery and George Mc-
Gillivray left this morning for Tomb-
stone for the purpose of taking one of
the advanced degrees in the Masonic
Lodge.
Joe Scott left for Globe this morn-
ing at which place he will join our
friend Mr. Nelson, the hot number,
who is erecting an electric plant to
light the town. Good luck to you
boys.

Our Daily Democrat has not made
its appearance this evening as yet and
we are wondering whether the editor
has repented of his wayward life or has
concluded to keep us in the dark. We
sincerely hope that he has turned
over a new leaf.

The Republican Rally which was
held for last evening came off before
one of the largest houses seen in Bi-
sbee for some time past. It was a very
successful meeting as there were a
great many Democrats and Populists
in attendance and the facts and
logic of the speakers could not help
but set the more earnest to looking at
the silver question in a calculative and
reasoning light instead of jumping at
a conclusion through mere prejudice.
A. J. Doran was the first to take the
floor for the evening. We all know
that Jim is no speaker but he gave us
the various facts and conditions in a
clear and reasonable way. Col.
Zabiska of Tucson took the floor
after Mr. Doran and talked of the
issues of the day in his clear and con-
vincing manner. He laid particular
stress on the point that the Western
Republicans were as much in favor of
bimetallism as any Democrats in the
country and were a little more sincere
in their professions than the profes-
sionists. His various points were well
taken and the meeting surely accom-
plished a great deal of good.

Mrs. E. E. Davis, of San Miguel, Cal.,
says: "I am trying in a measure to re-
pay the manufacturers of Chamberlain's
Cough Remedy for the great good their
remedy has done me. For years I was a
constant sufferer from weak lungs and
bronchial asthma. My rest at night was
disturbed by a hacking cough so that I
felt miserable the greater part of the
time. Many remedies recommended by
friends were tried, none of which proved
suitable to my case. I did not expect
any beneficial results until I began
taking Chamberlain's Cough Remedy.
After two bottles of the larger size had
been used I am pleased to state my
health is better than it has been for years.
The soreness has left my lungs and chest
and I can breathe easily. It has done
me so much good that I want all who are
suffering from lung troubles, as I was, to
give it a trial." For sale by druggists.

A woman was hanged in Texas for
the murder of a child. After the ex-
ecution the body was handed over to
the family, and the woman was
brought back to life by the aid of a
doctor. Being a married woman the
marriage ceremony was gone through
again she being regarded as legally
dead. Although the couple removed
to another part of the State, it leaked
out that she had been restored to life
and lawyers are debating whether she
can be re-arrested and made to under-
go the sentence.
